

Easy Origami Pikachu

Difficulty: Easy

Create your very own origami Pikachu and bring it everywhere with you. Origami Pikachus make great pets because they don't accidentally shock you while sitting in your pocket. Lots of people are playing Pokemon on their daily exercise walks during Lockdown, remember, #StaySafe #StayAlert!

Step 1: Start with a square piece of origami paper, colour side down.

Step 2: Fold the left half to the right, then unfold.

Step 3: Fold the bottom half to the top.

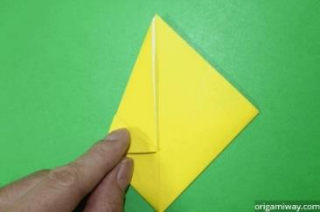

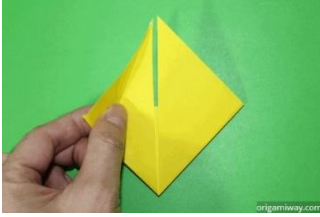

Step 4: Fold both layers of the top triangle corner to the bottom edge. Make sure the tip of the corner lines up with the vertical crease in the centre.

Step 5: Fold the left and right sides up diagonally towards the centre.

Step 6: Fold the left and right corners to the centre.

Step 7: Fold the left ear diagonally to the side.

Step 8: Fold the right ear to the side.

Step 9: Fold the bottom corner up to flatten the origami Pikachu's chin.

Step 10: Fold in the pointy cheeks.

Step 11: Turn over and draw the face. Pika! Pika!
